Re: United States v. El Gammal
15 Cr. 588 (ER)

Hon. Judge Ramos,

We located summaries of Aboulala's Facebook communications in a prior discovery production and therefore write to withdraw that portion of yesterday's letter. As our chief complaint is with the government's innumerable revisions to its Arabic language exhibits, we nevertheless seek preclusion of the government's new Arabic language expert.

Respectfully submitted,

/s/
